Transformative  
Actions  
Program

# Mission

- **Enabling access to finance** to scale up local climate action
- Accelerating **low-to-no emission** and **climate-resilient development**
- Supporting national ambitions through transformative **local infrastructure projects**

- ✓ A subnational demand-driven **Global Project Pipeline**;
- ✓ A **Project Preparation Facility (PPF)** with tailored services from ICLEI and TAP partners, to guide project development to achieve maturity and financeability;
- ✓ A **Platform** presenting projects seeking finance, also partnering with other platforms;
- ✓ An **Advocacy Instrument** presenting the demand and diversity for subnational project finance.

- **Local and subnational governments, or their partners** (local / regional government must be a key stakeholder in the project)
- **(Hard) Infrastructure projects** addressing climate change mitigation and/or adaptation
- **Transformative impact** (ambitious, cross-cutting, inclusive) with **screening** and **recommendations for improvement**

- First launched in 2015, second call in 2018
- By 2018 at least 22 projects successfully accessed finance (“TAPped”)
- Current project pipeline: 50 projects with combined investment need of 1.5 billion Euro
- Managed by ICLEI
- Growing partnership
- Opening pipeline in Sept 2019

Currently: 50 projects, investment need valued at 1,5 billion Euro
